

The Luther Home Annual General Meeting was held by teleconference on Sunday, October 24<sup>th</sup>. The Board would like to thank those who attended for your participation in this meeting. We know it's challenging to attend a meeting on the phone and we appreciate everyone who took the time to "attend." For those corporate or family members who were unable to attend, the reports can be accessed on the Luther Home website.

At the AGM we honored the incredible dedication and loyalty of long time Board Member, Randy Hilderman. Randy will be leaving our Board after 37 years of service. It is difficult to imagine anyone who has a deeper commitment to the purposes and spirit of the work of Luther Home. Randy has a gentle, humble manner that is always grounded in the spiritual intent of the founding members of Luther Home. Simple thanks don't seem enough to acknowledge all that Randy has contributed over the years. We will miss his sincerity, humour, good sense and thoughtful presence at the Board table. Thank you, Randy, from your friends, colleagues and residents of Luther Home.

We did an interview with Randy about his work and vision of the founders of Luther Home that you might enjoy. Please view this interview by following the link below.

We would like to welcome Linda Van Den Broek to our Luther Home Board. Linda has a wealth of Board experience with organizations such as the Alzheimer Society and her professional expertise in real estate will certainly be a welcome addition to the current Board. She will be joining Board members Mike Sterdan, Duane Kelln, David Domke, Marilyn Onisko, Lori Brooks and Cathy Horbas. If you have interest in being a member of the Board of Luther Home, please let your interest be known to a Board member or a staff person.
