

Message to Families
New Physician at Luther Home
May 16, 2022

It is with much anticipation that I welcome Dr. Kevin Saunders to Luther Home as a new Attending Physician to assist Dr. Heather Domke in the provision of medical services for our Residents.

Dr. Saunders officially starts in his new role, today, May 16, 2022. He will assume the responsibility for the medical care of half of the Luther Home Residents and will share the on-call responsibilities with Dr. Domke.

Dr. Saunders was initially assigned to Luther Home to assist in caring for our Residents during the COVID-19 pandemic and has decided to stay on with us on a permanent basis.

Please join me in welcoming Dr. Saunders to Luther Home!

Sincerely,

Keith Bytheway
Chief Executive Officer
