Update for Families **December 23rd, 2021**

Effective immediately Luther Home is suspending All Indoor Visitation. This decision was not made lightly and is due to the continuing threat of high case numbers of COVID-19. Today it was released that there are 556 cases in Manitoba, with the majority of these cases being in the Winnipeg Region. The 5 day positivity rate for the Province is 10.9%.

Luther Home is committed to keeping our Residents safe from this virus, and we must act now to mitigate the risk of transmission into our Home.

Luther Home will immediately increase programming and activities for our Residents. Virtual Visits will be available through Eddie Christmas Day and Boxing Day.

Please call Eddie 204-336-5380 to book a virtual visit going forward and until indoor visitation resumes.

Once again we thank you for your patience and understanding, particularly at this time of the year. We understand how difficult it is not seeing your loved ones during the Holiday season. We shall endeavor to reinstate indoor visitation as soon we deem it safe to do so.

Stay safe this holiday season.

Sincerely,

Keith Bytheway
Chief Executive Officer
